The form is set against a blue background with a white silhouette of a person's head and shoulders in a circle on the left, and the IPFN logo (International Pigeon Fancier Number) on the right. The form fields are arranged in two columns. The first column contains 'Firstname' (with 'Jim' entered), 'E-Mail', 'Password', and 'Country' (with 'United Kingdom of Great Bri' selected). The second column contains 'Lastname', 'Username', 'Confirm Password', and 'Language' (with 'English' selected). BENZING Live! keeps the traditions of pigeon sport alive, but revolutionizes the use of technology.

Once you have downloaded the “Benzing Live” App, open it on your device and “Log In” with the username and password you created.

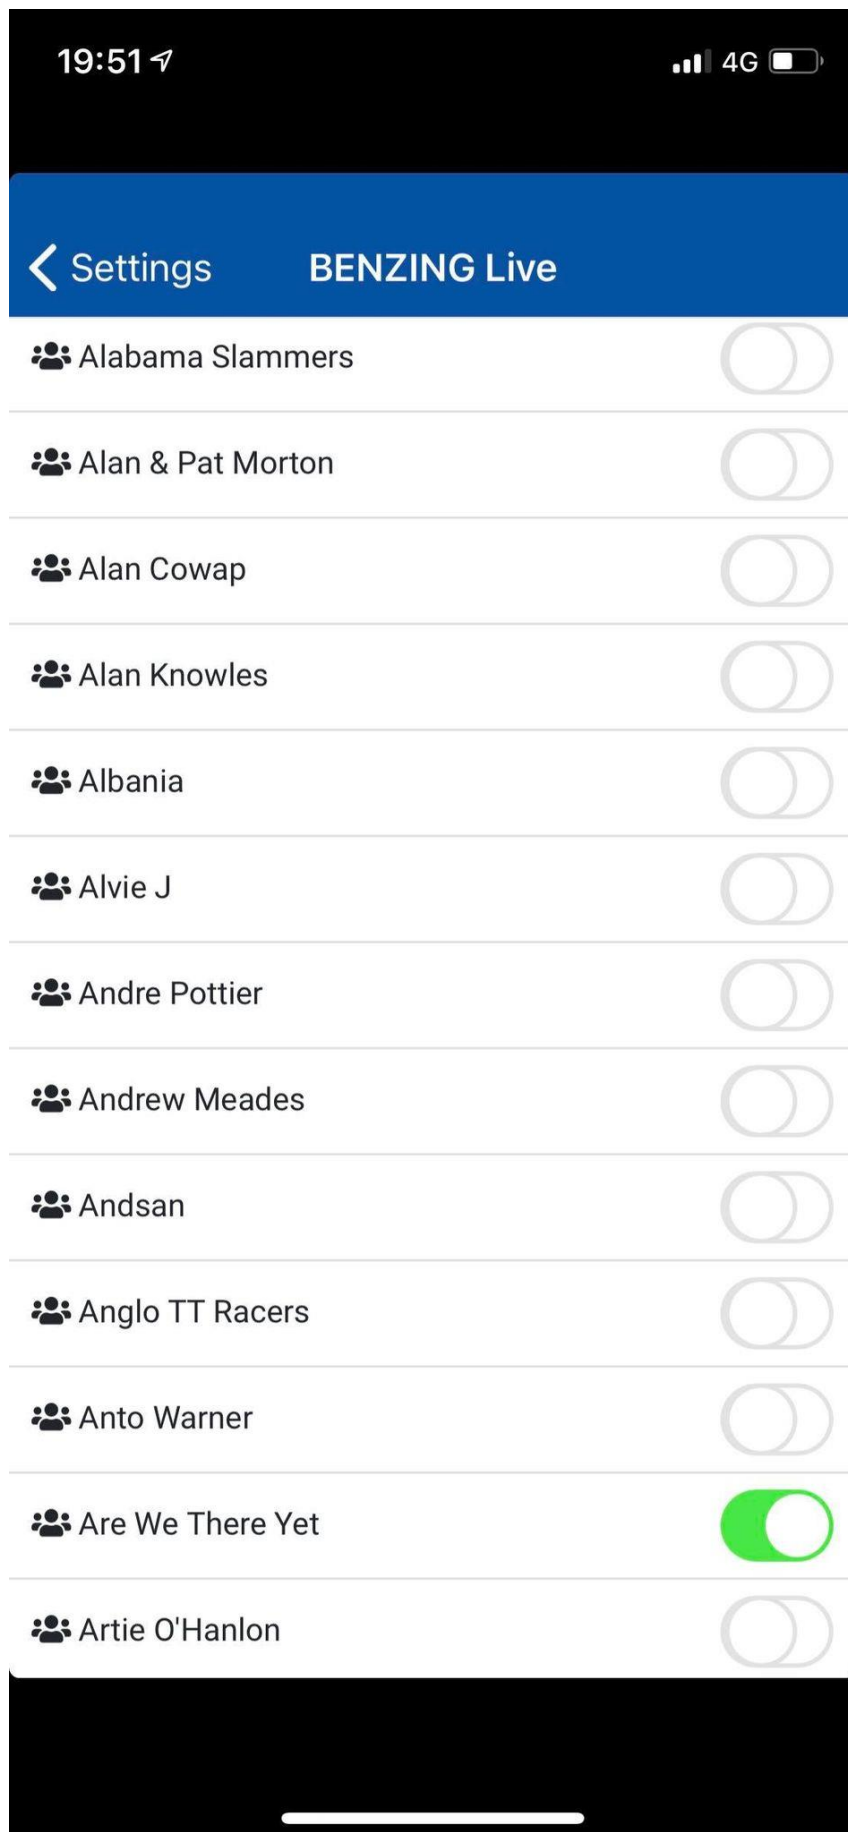

When you have successfully logged in, go to “Settings”

Select the OLR(S) you have your pigeons entered.

Then simply switch on your team-name, pigeons.

Close the “APP” down but don’t log out.

When your OLR pigeon entries come home from a hot spot race or any other organised race, you will receive an instant notification of your pigeon(s) on your mobile device when they arrive.
